 Engineering and Land Surveying, P.C.	Civil Engineer Job Description		
Standard Reference	7.1.2 & 7.2	Revision	2
Applicable Sites	All sites	Document Owner	President

KC Engineering and Land Surveying, P.C., a multi-discipline consulting engineering firm, is seeking a candidate for a **Civil Engineer** in our **New York City office**. This is a full time position.

The potential candidate must meet the following minimum requirements:

Experience/Qualifications:

- BS in Civil Engineering or related fields is required.
- Qualified for ASCE Grade III.
- Minimum 3 years of experience in design and construction inspection of municipal projects.
- Experience in construction inspection, monitoring, and support services is preferred.
- Familiarity with local agency, municipal zoning, and/or planning regulations, including the NYSDEC, NYSDOT, NYSDOH, and 10 States Standards.
- Effective oral, written, organization and time management skills.

Licenses/Certifications:

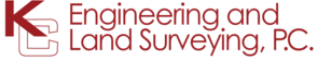

- Must have New York State Driver's License.
- New York State Professional Engineer License is desirable.
- Having passed the Fundamentals in Engineering exam is preferred.

The responsibilities of the position are as follows:

The primary work location is at the KC New York City office. Successful candidates may be required to provide support to other KC offices on an as needed basis.

- Evaluate, select, and apply standard engineering techniques, procedures, and criteria using judgement in making some substantial engineering adaptations.
- Assist in planning, designing, monitoring, and/or managing of project and programs such as roadway, water and sewer utilities, water and wastewater treatment systems, and culverts.
- Review design drawings and indicate basic design corrections.
- Review engineering plans for compliance with numerous regulatory acts.
- Assist in the evaluation of contract bids and make recommendations to higher-level engineers.
